RE: Permitting Process
ACT/057/002
Weber/Box Elder Counties

Dear Mr. Behrens:

It has recently come to the Division's attention that final approval and reclamation bonding for your operation has yet to be completed. Would you please submit any information necessary to update your mine plan so we can complete mine plan approval in the near future?

I would also appreciate it if you would notify me as to the proper contact in the future regarding the permitting process. If possible, I would like to arrange a trip to your minesite in the near future.

Please contact me if you have any questions regarding this matter. Thank you.

Sincerely,

Susan C. Linner
